

Product code:		GSA/F-BCA
Bracket Basics		
Diameter of Ball	D	10 mm
Height of Ball	H	15,5 mm
Position of Ball	P	Right Angle Internal
Thikness of Bracket Material	T	2 mm
Base		
Width		15 mm
Material		Bright zinc

Marking:					
Revision	Date	Modification contents		Prepared by	Checked by
Valid standards unless otherwise specially noted					
General tolerances according to: ISO 2768-mH	Geometrical tolerances according to: ISO 1101	Surface roughness according to: ISO 1302 (Ra)	Edges according to: ISO 13715 ext -0,3 int +0,3	General tolerances for welded constructions according to: DIN EN ISO 13920-B,F	Arc-welded joints in steel: ISO 5817-D
